ROUTE: There are four route options – 5, 15 and 20 miles.

The ride is along public and private bridleways.

A big thank you to HATS (horses avoiding traffic scheme) for use of the private bridleways for the day. These paths are clearly marked with the blue HATS symbols.

This year the route has a little more roadwork through villages as the venue is a little further away from the HATS ride.

There are still lots of lovely canter opportunities and a river crossing. There is a motorway bridge to cross on the 20 mile route, which is part of the public bridleways.

There is also a lovely pub in the village of Warton, The Fox and Dogs, with room to park horses.

There will be horses travelling the same sections twice on parts of the route – please pass carefully and be courteous on these sections.

FACILITIES:

A catering van will be there from 7.30 am, there will be toilets but no water.

FIRST AIDER: This event does not have an official first aider, however there is a first aid kit located at the Secretary's trailer.
