

A50 Road Closure at Uttoxeter

Please be aware that the A50 will be completely closed in both directions, between the A521 roundabout at Blythe Bridge and the B5030 roundabout at Uttoxeter, from 8pm on Friday, 28 September until 5.30am on Monday, 1 October.

This is for the construction of a new bridge.

This will affect your journey to the venue if you are travelling this way and you should allow extra time.

The diversion route will be the same for vehicles travelling in both directions. From the East, traffic will be diverted northwards from the A50 at Uttoxeter on to the B5030 for a few hundred yards to the roundabout with the A518. Traffic will turn right there, cross back over the A50 along The Dove Way and continue on the A518 clockwise around Uttoxeter and follow the road towards Stafford. Vehicles will then follow the A51 and A34 towards Stoke-on-Trent, before joining the A500 and then the A50 to Blythe Bridge. The route is reversed from the West
