

Trans Pennine Trot Ride 2025

Sunday 31st August 2025

VENUE: Stanley Cottage Stables, Dark Lane, Calow, Chesterfield, S44 5UU

What3Words App map reference : divine.divide.jazzy

Venue

Please refer to the Ride Information documents for venue access details

Camping

You are welcome to arrive on Saturday 30th any time after 4pm and please message Jill that you are on the way as she will be out marking. PLEASE DO NOT ARRIVE BEFORE!!

Corralling

Your corral space will be allocated to you by the ride organiser. Your corral must be double stranded & powered by electric. You must display a sign notifying the public that it is an electric fence. Please ensure you bring hay or haylage. You must keep your corral clean at all times and all droppings MUST be taken home with you. May I also suggest that you have a piece of cardboard hanging on your corral with your contact details and emergency numbers. The venue is enclosed but should a horse come out of its corral we need to be able to contact you. Do not leave your horse unattended, should you wish to go out in the evening please ensure someone takes responsibility for your horse. All horses should be able to corral, if your horse breaks out or will not settle you may be asked to take your horse home.

Tents

Tents are not permitted by your corral. We will have a separate tent area away from the horses (this is down to H&S). You can sleep in your lorry or horse trailer next to your corral which is the most popular way people camp over.

Water & Toilets

There are no toilets on site. Bring plenty of water as there is none at the site.

General Information

You are welcome to enjoy yourself, after all this is what it's all about. Be courteous to other campers and keep noise levels down as this is on a built up area - No music is permitted after 11pm.. You can bring BBQ's but these must be rested on something and not placed on the grass. Alcohol is welcome but please do not leave any bottles or cans lying around.. Dogs are welcome but MUST be kept on a lead at all times. Ensure you bring a water bucket for your horses & a container to transport it in. Fly spray & rugs may be needed as they might come out in force at dusk.

If you have any questions please contact Jill Hancock on 07963 495668
