

Cloud Trail 2026 3 Mile Extension
"X" - Y - Z - "X"

This gives a 3 mile extension as an optional extra to all the routes.

The extension itself would have to be done in the following order:

Continue along cloud trail from Wilson ("X") to Trent Lane at Kings Newton, get off cloud trail at Trent Lane (Y), proceed up Trent Lane to Main Street crossroads, turn left along Main Street to Station Road.

At end of Station Road turn left towards Isley Walton then after few yards turn right at the railway bridge ("Z") to get down the ramp back onto the cloud trail. Go back to Wilson and then exit at the Forty Foot Lane ramp ("X") to return to the venue.

Note: This 3 mile extension should not be done in reverse as getting off at the Station Road ramp has no visibility to the right to look for traffic approaching from Isley Walton. The footpath is very narrow. But the visibility is ok if this extension is ridden in the advised route order.
