Pleasure Ride - Start time is between 09 30 - 1pm. Registration for pleasure riders from 9 am.

1) DIRECTIONS

Thoresby is signed off A roads nearby.

Post code is NG22 9EP.

From A1 south turn off at Clumber Park/Workshop exit – take A614 towards Clumber Park – carry on past Clumber Park until 1st roundabout (approx. 3 miles) turn right signed Thoresby follow road past Thoresby Hall entrances venue is on left and will be signed.

If coming from M1 junction 31/30 towards Workshop. or West- travel towards Workshop, take A57 follow signs towards A1/Retford, turn right at roundabout onto A614 past Clumber Park – 1st roundabout turn right – signed Thoresby follow road past Thoresby Hall entrances about 3/4 mile – venue is on left and will be signed.

From Mansfield or Workshop directions-If coming from A616/B6034, take turn marked Thoresby at mini roundabouts at Budby. Continue on Venue is on left in the Market Field

If coming from East or north on A1 come off A1 signed Retford, Gamston, follow signs to Ollerton off slip road, take Right turn to Bothamsall – Follow to Island – straight across -Venue is on left about 3/4 mile along this road. Past Thoresby Hall

2) VENUE

The parking is on a flat grassed area with hard standings in Thoresby Market field. When entering please look out for horses exiting the venue onto ride, which may be the same way as you are coming in. The venue is permission of Thoresby Estate. Please respect the venue and other users. Please take all your litter and droppings etc away with you.

There is water available at venue. Toilet on venue. Thoresby courtyard centre with cafe, shops, toilets, plant sales and gallery 10 minutes walk for those not riding. Very nice!!

Vet in attendance; Photographer on route; Excellent caterer at venue.

3) ROUTE

The Pleasure routes are approximately 10 , 15 or 20 miles. Lead rein is approx. 3 miles.(but can be extended)

.15m, 20 m, 30m 40m are competitive distances.(These are declared distances for ride- but check notice board in case of any late changes to route and distance.The route is entirely on Thoresby estate.

Terrain-

Generally the terrain is fairly flat to gently rolling.

It is a easy ride and route. It looks a bit complicated on the map but it will be easy to follow. Mostly forestry tracks some a bit rough but, some lovely grassy tracks, one long track surfaced with red shale, some old tarmacked roads in the forest (not used as public roads)These can be slippery in places . If your horse is barefoot care should be taken on shaled tracks.

See map -Red shale paths are from checkpoint 1 to checkpoint 2..

Please note with the exception of Freeboard Lane (red shale track) all parts of the route are private and not accessible normally. Please do not go on the gallops at the side of Freeboard Lane- we have no access to this, any riders seen on these will not be covered by SE. !!

Roads-

There is one road crossing on the route out and back, which will be stewarded.

Marking-

The route will be marked with coloured spray on the ground. Letters marked on map will be marked on the route in spray . See

map and notices on day to check for changes.

For pleasure riders ,we recommend a speed of 5 mph minimum. If you think you may be riding slower, that's ok, but please let organisers know, so we don't worry about you. If you are doing the 20 mile pleasure ride please try to set off earlier within the time window, remembering that all the stewards etc are volunteers who are giving up their time to make the ride safer.

Please be courteous to other users of the tracks-. Please ask before overtaking with care, particularly look out for horse with tail ribbons (see notice board) . Please allow riders in red or orange bibs to overtake as they are competing.

We have a good reputation and need to keep it, to continue to be allowed to use these lovely areas almost all of which is on private land

4)CREWING/CHECKPOINTS

There are only two accessible crewpoints on all routes. Please ensure when crewing, you don't block any gateways/tracks. The only crew points are by CP1-small car parking area at roadside- B6034.Duncan Wood. This is a well signed parking area only a short drive from venue(just past the paint balling). Other crew point is on Freeboard Lane by CP2. However you will need to park in layby on A614 and walk down the track to meet your horse.

5)HEALTH AND SAFETY

The ride is run under Sport Endurance rules and policies. A First Aider and First Aid box is available at the Secretaries Tent.

Children must be supervised at the venue

Dogs must be kept on leads at venue and walking on the estate.

There will be notice board on the day with health and safety information, any changes etc. Please check this.

6)ACKNOWLEDGEMENTS

We would like to extend our thanks to all landowners/managers, Thoresby Estate particularly for the lovely venue and permissive paths. We also want to thank the helpers and Raynet, who have given their time, and without whom we really could not run the event. Thanks to Nottingham University Vets . Steve our Caterer and Ruth (photographer) for adding extras to the day.

Please don't hesitate to ring me if any problems before or on the day. If there are any changes we will try to inform you as soon as possible. Telephone- 01302 710439 up until Friday evening.

It just remains to wish you a safe journey and safe and pleasant ride. Enjoy the day - hopefully the weather will be kind.

DAVE HULL- RIDE ORGANISER

Remember – SE rules do not allow Spurs, Headcams (whilst riding), Crops longer than 30", Market Harbors or other schooling aids, Hats must conform to the latest published standard and be securely fastened whilst riding,, Horses known to kick out must wear a Red tail ribbon (see notice board),
