

Hello Campers!

Welcome to sunny Staffordshire Moorlands.

If you need any water for your horses please get it from the trough. There are toilets at the venue.

The nearest local shop is Manifold Stores in Waterhouses - turn right out of the venue, turn right at the main road - the next village is Waterhouses and the shop is on the left hand side near the beginning of the village. It closes at 9.00 pm and opens 8.00-ish on Sunday mornings. It sells a good range of food and drink.

There is also the Riverside cafe fish and chip shop in Waterhouses - further along the village on the same side as the shop. Open 9.00 am - 10.00 pm on Saturday. Closed on Sunday. Tel: 01538 308434

I have arranged for a local vets to be on call out tonight and for the ride tomorrow - McMurtry and Harding in Ashbourne - Tel 01335 342227.

I can also contact a local farrier if needed - please call me first.

My phone numbers are 07931 244430 and 01538 308467. Best to try the home phone as my mobile may not pick up your call - it depends where I am as the signal is weak or non-existent around here. I live in Calton just down the bottom of the hill so can pop up quickly if any problems.

Just to remind you that there are holiday guests staying in Latham Hall Farm and the owners have requested that noise is kept to a minimum so no karaoke please!

Hope you and your horses all have a good night and wake up refreshed ready for a great ride!

Julie
