

## Route

The ride is 8 miles which you are welcome to ride it twice time permitting. The route will be marked with spray painted arrows although we have issued a map. Ride terrain is quiet country lanes, nature trail and long canter stretches along the river Trent (No Galloping). The route does go through farmers' fields and some will have **COWS PRESENT**, there is also a small wooden bridge to walk over which is horse friendly, there are gates on route but these will be manned wherever possible depending on helpers. On the canter stretch back along the river Trent is very popular with walkers, PLEASE be courteous and do not canter past them.

**First Aider:** This event does not have an official first aider, however there is a first aid kit located at the secretary.

**Notes:** Please clear droppings away and take home. Do not leave on venue.
